TESTIMONY

I wish to let you know that your prayers were answered. I'm happy to say that things have changed greatly. Please accept my sincere thanks for responding to my call in my time of need. God has moved in my life, and I'm blessed physically, spiritually and mentally.

Healing prayers were said by members of the Circle of Power for Domitia P., who was extremely ill with an acute allergic reaction resembling blood poisoning, which had doctors puzzled. Within a few days of prayers the doctors discovered the cause of her reaction, and within a week the swelling had gone down and she was released from hospital. Thank you, Lord.

Through your prayers my husband, who was in Nigeria, is back home safely. He came on February 2nd. Praise and thanks to God.

PROGRAMS

THE HEALING MINISTRY

The Lord blesses this work with many remarkable healings of body, mind and spirit. At Faith Center and in institutions around the city we pray with the sick and give counsel to those who are oppressed. Through our prayer fellowship, the Circle of Power, we reach out with the healing love of Jesus Christ to people all over the world.

THE CLOWN MINISTRY

Our ministers and volunteers become clowns for Christ, bring love, laughter and toys to children who are terminally and seriously ill. Volunteers are welcome in many capacities, and we invite you to call Faith Center.

THE PRISON MINISTRY

Our work focuses on the importance of each person undergoing a profound personal change, by receiving Christ, so that, upon release, he or she does not simply return to a self-destructive lifestyle. Our current programs include counseling in Georgia's death row

ANIMAL ACTION

When God gave mankind dominion over the earth and its creatures He did not have in mind the abuse and abandonment of His creatures, nor their torture in scientific experiments. Nevertheless these things happen on a vast scale. We, therefore, give a very high priority to working against such abuse wherever we can

NEWSBRIEFS

THE CLOWN MINISTRY

Easter Sunday saw a special visit to Egleston Hospital by clowns Daffydil and Lilac (alias Revs. Nathania Gartman and Grace Michaels), who visited many of the bed-ridden children, who had been unable to attend the party held for the children. Earlier in the week, at the request of the staff, Daffydil had taken part in a Children's Art Festival, part of Children in Hospital Week, and was photographed for an upcoming article on the Clown Ministry for the hospital newspaper.

Special mention should be made also of a little 11 month old boy, Girard, who has been confined to a respirator since birth at Grady Hospital. He is otherwise extremely alert and loves the clown visits. We ask your prayers for him and all the children, and thank God for being able to channel His love and fun to the children.

BIRMINGHAM OUTREACH

Revs. Grace Michaels and Matthew Gartenlaub continued their valuable work at Children's Hospital in Birmingham. The next scheduled visit is April 29th.

THE CIRCLE OF POWER

The Circle of Power is our international Prayer Fellowship based at Faith Center. Recent news includes the following:

Ghana, West Africa: Recently all foreign workers were expelled from Nigeria, which effected many Ghanaians working there. Comfort Antwi, a member in Sunyani, Ghana, asked our prayers for the safety of her husband.

Sister Grace Asare-Djan and Philip Twum, leading members of the Circle of Power in Sunyani, Ghana, lay on hands in prayer for a patient in serious condition. Joining them in prayer are the hospital nurses.

Chicago: Dean of the Prayer Fellowship, Christian Mendenhall, wrote: *"Greetings and love, happy Easter from Chicago! Praise God for this glorious time of transcendence and rebirth."* He goes on to say that a community in Illinois is expressing interest in his teaching our communication workshop, Focus, and asks us to remind all Chicago-area readers that Circle of Power meetings are being held at his home, 1500 W. Pratt, at 6PM Sundays. PH: 465-5077.

Another Chicago member, Cynthia Felleisen, writes of how the Lord used her to channel healing to a very sick cat. She relates, *"The cat couldn't hold food, and was so thin and weak he couldn't stand. As I laid hands on the cat he filled with heat. I held him until he cooled off. He hopped down and went to bed. That was at 8PM. At 1AM he awakened wanting to eat, kept it down and ate again at 3AM. In the morning he ran out to play and has been fine ever since. Praise the Lord."*

ANIMAL ACTION

World Day for Laboratory Animals: As we go to press, this day is being marked by rallies all over the world. The rally at Yerkes Regional Primate Research Center, sponsored by Mobilization for Animals, is, like the others, a protest against the brutality and greed of the experimentation industry. Aide Robert Kellar and Disciple Margery Cunningham are active publicizing the event, distributing leaflets, and encouraging people to be there to support the aims.

Pet Therapy: Rev. Caillin Elliott and his Afghanhound, Benson, visited the Jewish Home in conjunction with Marti Wilson, a pioneer in this ministry in Atlanta. They were interviewed during the visit for popular TV show, PM Magazine. Meanwhile Rev. Abigail Johns, her dogs Teddy and Pippin, and Trainee Minister, Hans Mendenhall, have been making regular visits to Nursecare, a nursing home close to Faith Center. The elderly love the visits of their two-legged and four-legged guests.
